Note No. 1- Management Response with regard to causes for default/delay:

- *The Company is under the Corporate Insolvency Resolution Process ("CIRP") pursuant to order dated February 22, 2023 passed by the National Company Law Tribunal ("NCLT"), Mumbai.*
- *The preparing of financial statements by the company and finalization required additional time by the auditor due to the complexities involved in aligning them with the ongoing CIRP proceedings. Ensuring accuracy and transparency in these statements is paramount, contributing to the extended timeline for submission.*
- *Further, as the Company is a listed company with 24 subsidiary companies (some of which are in CIRP) and 2 associate companies and 1 limited liability partnership, consolidated financial statements had to be prepared, which required financial data from multiple subsidiary companies, associate companies and limited liability partnership. Despite repeated follow-ups, these subsidiary companies, associate companies and limited liability partnership significantly delayed providing their financial statements..*

- *During the ongoing CIRP, an increased number of resignations across the workforce was also witnessed. This challenge has not only affected the overall efficiency but has also posed difficulties in finding suitable replacements.*
- *In light of these challenges, our Team diligently worked towards the completion of the compliances by filing the unaudited financials for the quarter ended June 30, 2023, September 30, 2023 and December 31, 2023. .*
